

## ACA News Release

Notice to all competitors attending Australians' Campdraft Association affiliated Campdrafts who are currently not financial members.

A recent decision was made by the ACA management committee to implement compulsory membership by the 1<sup>st</sup> April 2006 at any ACA affiliated campdraft in Australia.

This has come about by way of pressure from the public liability sector and of concerns of implementation of this association's rules. Anyone who intends to compete at an ACA campdraft after the 1st April 2006 will need to be either a casual member (\*valid for one drafting fixture) or be a full member. Further details can be obtained from the ACA office ph: (07)4665 9277. Membership Forms are available at [www.campdraft.com.au](http://www.campdraft.com.au)

\*A campdraft fixture will be for one drafting program (Event).
